

DKING COMBAT SYSTEM

CORPORATE COMBAT & SELF-DEFENSE TEAM EXPERIENCE

REAL SKILLS. REAL IMPACT. STRONGER TEAMS.

A PREMIUM CORPORATE EXPERIENCE

Dking Combat brings companies a different kind of team-building experience - active, practical, beginner-friendly and memorable. Teams develop confidence, awareness, communication, teamwork and composure through controlled self-defense and team challenges.

CONFIDENCE

Build confidence through practical and achievable challenges.

COMMUNICATION

Practice clear communication while working under controlled pressure.

TEAMWORK

Develop trust, cooperation and shared problem-solving.

LEADERSHIP

Strengthen calm decision-making and responsibility.

WELLNESS

Give employees an active break from the usual office routine.

AWARENESS

Develop situational awareness and practical personal-safety habits.

This is not about teaching employees to fight. It is about building stronger teams that communicate, think and perform better under pressure.

Suitable for HR • People & Culture • Employee Engagement • Corporate Wellness • Team-Building Events • Company Offsites • Leadership Events
